QUOTATION FOR STRUCTURAL DESIGN CONSULTANCY SERVICES

Quotation No.: SBC/2026/GOA-01
Date: 30 / 10 / 2026

To, Mr. Kunalji

Subject: Quotation for Structural Design Consultancy Services for Proposed Development, Goa

Dear Sir, with reference to our discussions, we are pleased to submit our quotation for providing structural design consultancy services for the above-mentioned project. Our scope of services, professional fees, payment terms and conditions are detailed below for your consideration and approval.

1. PROJECT DETAILS

Project Name	Proposed Development
Project Location	Goa
Client / Developer	Mr. Kunalji
Project Type	Residential / Commercial / Mixed Use
Number of Buildings / Wings	To be confirmed
Approximate Built-up Area	To be confirmed (sq. ft.)
Structural System	RCC

2. SCOPE OF SERVICES

1. Review of architectural drawings and coordination with the architectural and other relevant consultants.
2. Structural planning and development of the structural framing system.
3. Structural analysis and design of the agreed structural components.
4. Preparation and submission of structural drawings, including foundation, column, beam, slab and other applicable structural details.
5. Preparation of structural design calculations and other agreed design documents.
6. Coordination with the project architect and other consultants on structural design matters.
7. Clarification of structural drawing-related queries raised by the client or site team.
8. Review of proposed structural changes, subject to the agreed scope of services.

Any services not expressly included in the agreed scope shall be treated as additional services and charged separately with the client's approval.

3. PROFESSIONAL CONSULTANCY FEES

Particulars	Amount / Rate
Structural Consultancy Fee	INR 15 per sq. ft. of built-up area
Minimum Consultancy Fee	INR 5,00,000 per building
GST	18% additional, as applicable

The professional fee shall be calculated on the agreed built-up area at the above rate, subject to the minimum fee per building. The final fee shall be confirmed on approval of the project details and agreed scope.

4. PAYMENT SCHEDULE

Milestone	Description	Payment
1	Appointment of consultancy and commencement of work	20%
2	Submission of column and beam layout drawings	20%
3	Submission of foundation drawings	20%
4	Submission of typical floor structural drawings	20%
5	Completion and submission of the agreed structural design and drawing package	20%
Total		**100%**

Payment terms: Payments shall be released on achievement of each milestone against invoice. GST shall be charged additionally at the applicable rate. Payments shall be made within 7 calendar days of the invoice date unless otherwise agreed in writing. Additional services or changes beyond the approved scope shall be charged separately by mutual agreement. Delays in payment may affect the progress and delivery schedule of the services.

5. GENERAL TERMS AND CONDITIONS

5.1 Design Basis and Applicable Codes

Structural design shall be carried out with reference to the applicable Indian Standards, relevant statutory requirements and the approved project design criteria.

5.2 Architectural and Other Inputs

The client shall provide the latest approved architectural drawings, geotechnical investigation report, project specifications and other information required for structural design.

5.3 Changes to the Project

Significant changes to the architectural layout, building configuration, loading criteria or structural system after design approval shall be treated as additional work where substantial redesign is required.

5.4 Construction and Site Support

Site visits, reinforcement inspections, supervision, quality-control services and certification are included only where expressly specified in the agreed scope; otherwise they shall be quoted separately.

5.5 Exclusions

Unless agreed in writing, this quotation excludes architectural design and drawings; geotechnical investigation and soil testing; MEP and other specialist consultancy; government approval fees and statutory charges; third-party proof checking or peer review; detailed construction supervision and continuous site monitoring; and major redesign arising from changes to the approved brief.

5.6 Validity of Quotation

This quotation shall remain valid for 7 days from the date of issue.

5.7 Commencement of Work

Work shall commence upon written acceptance of this quotation, confirmation of the agreed scope and receipt of the initial payment.

5.8 Deliverables and Revisions

Deliverables, submission stages and included revisions shall be as mutually agreed in writing. Revisions arising from changes to the approved brief may attract additional fees.

6. ACCEPTANCE OF QUOTATION

We trust that the above terms meet your requirements and look forward to working with you on the successful execution of the project. Kindly sign and return a copy of this quotation as confirmation of acceptance.
